Doshnica River

*Relaxing walk along the bank of the beautiful Doshnica River with picnic lunch.
NB! Be sure to try the trout from the restaurant. Our fish comes fresh from the local fishery
Doshnica, located along the same river.*

*Doshnica River is the clearest river in Macedonia. From the spring of the river, some 20km
south-south/west from Demir Kapija under the highest pick of the Kozuf Mountain, till
Demir Kapija there is no human settlement along the river. Before it joins Vardar River at
the Demir Kapija gorge it passes through low lands of the Demir Kapija valley hidden
within the old forest that grows along the river. Perfect area for relaxing walk and for picnic.
-starting time – morning hours - as per your convenience.*

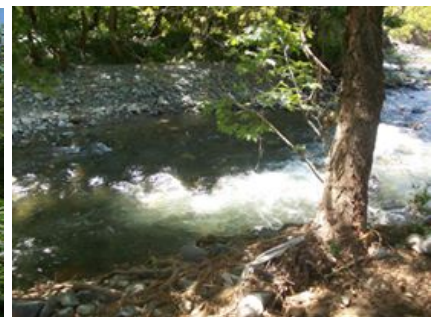

-welcome meeting with the guide at Popova Kula Winery

-start point Popova Kula Winery

-walk along the vineyards of Popova Kula Winery down to the river valley

-walk back to Popova Kula

-duration 2 to 4hours.

The whole team of Popova Kula Winery will make sure that our guests have unforgettable moments.
